Sales performance is the measurement of sales activity against the goals outlined in your overall plan. The simplest method of tracking performance is to establish sales goals for your team and for individual reps and then evaluate performance, either monthly or quarterly. You can then improve performance using new processes, tools, and software.

Donald Trump's big failing is that he can only think in tactics, not strategy. Whether Don Jr. shares this failing remains to be seen. This matters because Don Jr. is likely to wind up as the leader of the new Trumpist party in a few years. If he can develop a strategy to peel off the Conservative Left from the Democratic Party then he might be ...
